

# Working with Foreign Investors in 2018

## Do you know how to find and get their business?

### *Tuesday April 3rd Lunch & Learn Series 11:30-1:00*

**Foreign investors are buying and selling everything in the San Gabriel Valley. How many are you working with?** The U.S. real estate market is experiencing a surge in both resident and nonresident foreign investors. International buyers from China, Canada, India, and more are scooping up residential, commercial, and industrial properties. This is good for business for real estate agents across the country.

While there is a tremendous upside, catering to this market often presents unique and sometimes challenging issues. Want to know what you should keep in mind when you're working with foreign real estate investors?

Whether you're just starting out or you're a seasoned pro, join us to learn from industry experts how to take your career to the next level. There's no up-sell or training later on. Just industry experts teaching you what it takes to grow your business. These workshops teach you NEW strategies to get the results you deserve. Sign up and learn better strategies and techniques you can start using in your real estate business.
