

What is Escrow? Seven Things You Need to Know and Major Mistakes to Avoid

For Realtor, Lender, Investors, Homeowner, Seller and Buyer

Tuesday March 13th Lunch & Learn Series 11:30-1:00

To most REALTORS, lenders, and homeowners, escrow is a mysterious place where money, financial and legal documents go, and real estate magically transfers from one person to the next. Escrow is an important partner on your team and you need to know what they can do.

Real estate is often the most significant financial transaction in a person's lifetime, people hand over all of their personal financial information and they put their life's savings into a sale or purchase. You need to make sure the process goes as smoothly and safely as possible.

This class will teach you

- What escrow does and doesn't do
- Tips and tools for a better escrow transaction
- What escrow can do that you never asked
- How to identify and select the best licensed, qualified company
- How to spot potential fraud

Whether you're just starting out or you're a seasoned pro, join us to learn from industry experts how to take your career to the next level. These classes are for REALTORS, lenders, investors, homeowners, and buyers
