

#TBT-Tuesday! REALTORS, Learn About ZERO Down Payment Programs for Your Clients

Tuesday September 25th Snack & Learn Series 11:30 - 1:00

This was a class from March: For REALTORS! Real ZERO Down Payment Programs & Credit Repair Secrets Revealed.

The biggest obstacle to buying a home is NO Down Payment! You talk to so many buyers that want to wait and save money and they keep waiting. But what if, you could get them into a home with very little money? How many more clients could you work with and how many more people will refer you mountains of business.

Homebuyers don't know where to find these down payment assistance programs. There are a lot of smart agents out there RIGHT NOW promoting ZERO down payment programs and they have buyers and sellers lining up to work with them. You can even use these programs to get more listings.

The best part of my job is helping people buy beautiful homes. How many more beautiful homes could you sell if you knew, how to get people into homes with very little money and you could help buyers fix their credit. You will be a Real Estate Super Star after this class.
